

7th grade SCIENCE: Ms. King

April 13- April 24

Office Hours: I will be on Zoom on Tuesdays and Thursdays from 11:00am -11:45am for any questions for the new packet and to check in. Check the SMORE newsletter with the link attached, which you can find in your email. If you cannot attend office hours but have a question, email me any time – ashley.king@leonagroup.com

Instructions: Below is the list of assignments I would like you to work on over the next 2 weeks. I am providing the copies of the text book which has all the information needed to complete your work. Extra copies and other resources will be made available on Google Classroom if you need them (it is not required). Class code is xyrgxjc.

Time: Each student works at a different pace. I suggest setting a plan that works best for you, based on your needs and then *following that plan*. Below is an outline of the sections and word I've assigned to you. If you work 20-30min every day, you'll complete all of the sections without stress. Use your time wisely and reach out to me with any questions.
