

For this activity-

If you have dice to use, great! If not, use the attached number cards. You can use two digits inside one box or both boxes to create answers.

For example:

Flip over the cards, pick 2, 3 or 4 to put here → then write the answer.

$$\boxed{12} + \boxed{34} = \boxed{46}$$

(OR)

$$\boxed{12} + \boxed{4} = \boxed{16}$$

Put your name on the packet and turn in.

ROCK & ROLL

Multiply
